

Energy Providers Coalition for Education (EPCE)

EPCE's online programs focus on power generation, transmission & distribution, as well as specialty areas: business, cybersecurity and more. Take a single course or complete a certificate or degree from one of our four regionally accredited schools, at a discounted tuition rate.

 <p>Generation</p>	<p>Nuclear Power</p> <p>Certificate in Nuclear Power Technology at Bismarck State College</p> <p>AAS in Nuclear Power Technology at Bismarck State College</p> <p>BS in Nuclear Engineering Technology with Concentrations in Nuclear Leadership at Excelsior University</p>	<p>Power Generation</p> <p>Certificate in Power Generation Technology</p> <p>AAS in Power Generation Technology at Bismarck State College</p>	<p>Engineering</p> <p>BS in Electrical Engineering Technology (BSEET)</p> <p>BS in Mechanical Engineering Technology: Concentrations in Robotics, Nuclear, and Renewable Energy at Excelsior University</p> <p>BS in Electrical Engineering (BSEE) at Clemson University</p> <p>MS and Certificate in Power Systems Management</p> <p>MS and Certificate in Power Systems Engineering at Worcester Polytechnic Institute</p>
 <p>Transmission /Distribution</p>	<p>Electric Power</p> <p>Certificate in Electric Power Technology at Bismarck State College</p> <p>AAS in Electric Power Technology at Bismarck State College</p> <p>Certificate in Electrical Transmission Systems Technology</p> <p>AAS in Electrical Transmission Systems Technology at Bismarck State College</p>	<p>Instrumentation & Control</p> <p>Certificate and AAS in Instrumentation & Control Technology at Bismarck State College</p>	<p>Renewable Energy Certificate at Clemson University</p>
 <p>Specialty</p>	<p>Business</p> <p>BS in Business</p> <p>BPS in Business and Management</p> <p>Executive MBA (hybrid)</p> <p>Master of Business Administration (MBA)</p> <p>all at Excelsior University</p>	<p>Technology Mgmt.</p> <p>BPS in Technology Management with Concentrations in Electrical, Nuclear or Renewable Energy at Excelsior University</p>	<p>Smart Grid Courses at Bismarck State College</p>
		<p>Cybersecurity</p> <p>Certificates in Cybersecurity Programs</p> <p>AAS in Cybersecurity and Computer Networks</p> <p>BAS in Cybersecurity and Information Technology at Bismarck State College</p> <p>BS in Information Technology with Cyber Concentration</p> <p>MS in Cybersecurity Management at Excelsior University</p>	<p>Water & Wastewater</p> <p>Certificate in Water & Wastewater Technology at Bismarck State College</p>

EPCE Benefits Individuals

- ✓ Prepare yourself to advance your career
- ✓ Earn credit for what you know
- ✓ Flexible to fit your schedule and life
- ✓ Qualified instructor led and industry approved
- ✓ Tuition discount for EPCE member employees

EPCE Benefits Companies

- ✓ Customize your training
- ✓ Accelerate employee development from within
- ✓ Leverage cutting-edge learning tools
- ✓ Save internal resources: staff time and money
- ✓ Content developed by industry, for industry
